## PURPOSE

The purpose of this conference is to provide participants with knowledge and skills to deal with pressing ethical dilemmas in health care. In addition, there will be an opportunity to connect the dots between ethical dilemmas, policy, and practice.

## LEARNING OBJECTIVES

After participating in this CME activity, participants should be able to describe and discuss:

- Ethical principles and skills that are most useful for recognizing and responding to ethical dilemmas in practice.
- Health care decision making resources such as advance directives and physician executed documents that support decisional processes when patient's lack capacity.
- Factors to consider when judging whether a treatment is medically inappropriate and how to negotiate this with patients, families and colleagues.

## TARGET AUDIENCE

Health care professionals across all specialties and areas, administrators and ethics committee members, particularly physicians on these committees or in administrative roles.

## CANCELLATION AND REFUND

If you must cancel your registration for this course, The Center for Biomedical Ethics and Society will refund your registration fee, \$25.00, provided you notify us by May 13, 2016. No refunds will be made after that date. Exceptions will be made for justifiable emergencies.

Registration may be transferred to another person.

In the event of cancellation or rescheduling of this CME activity due to unforeseen circumstances, we will refund registration fees in full.
